

# Declaration of Original Work

We, Sean Benedict Bernardo and Luis Andrew Madridijo of section S27, declare that the code, resources, and documents we submitted for the first phase of the major course output (MCO) for CCPROG3 are our original work and effort. We take full responsibility for the submission and understand the repercussions of committing academic dishonesty, as stated in the DLSU Student Handbook. We affirm that we have not used unauthorized assistance or unfair means to complete the project.

We acknowledge the following external sources or references used in the development of our project:
